SIR:

REMARKS

Examination and consideration of this application is requested. After this
amendment, no claims have been amended. The originally filed Claims 1-24 remain
pending in the application. It is respectfully submitted that the application is in condition
for allowance.

- (1) Applicants have amended the attorney docket number to correct a minor error with the listed patent application data at the USPTO and to conform the listed attorney docket number to the actual attorney docket number.

The foregoing is submitted as a preliminary amendment to correct only a minor error with the listed attorney docket number at the USPTO, and it is submitted that Claims 1-24 are in condition for allowance. Allowance of Claims 1-24 is earnestly solicited.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is invited to call the undersigned attorney at (561) 989-9811 should the Examiner believe a telephone interview would advance the prosecution of the application.

The Commissioner is hereby authorized to charge any fees that may be required or credit any overpayment to Deposit Account 50-1556.

In view of the preceding discussion, it is submitted that the claims are in condition for allowance. Examination and consideration of the application, as amended, are requested.
